Attorneys for Defendants
C. R. Bard, Inc. and
Bard Peripheral Vascular, Inc.

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA

IN RE: Bard IVC Filters Products Liability MDL NO. 15-02641-PHX-DGC
Litigation

This Document Relates to:

LYNN BROWN,

Plaintiff,

Case No. 2:18-CV-00018-DGC

v.

C. R. BARD, INC., a New Jersey
Corporation; AND BARD PERIPHERAL
VASCULAR INC., an Arizona
Corporation,

Defendants.

**DEFENDANTS' MOTION TO
DISMISS PLAINTIFF'S COMPLAINT
FOR FAILURE TO COMPLY WITH
AMENDED CASE MANAGEMENT
ORDER NO. 5**

Pursuant to Fed. R. Civ. P. 12(b) Defendants C. R. Bard, Inc. and Bard Peripheral Vascular, Inc. (“Bard”) respectfully move this Court to dismiss Plaintiff Lynn Brown’s Complaint for failure to comply with the terms of Amended Case Management Order No. 5 pertaining to timely service of Plaintiff Profile Forms (“PPF”).

I. PROCEDURAL HISTORY

On January 3, 2018, Plaintiff filed a Short Form Complaint in MDL 2641, *In Re: Bard IVC Filters Products Liability Litigation*, and subsequently, served Bard with a copy of the Summons and Complaint on February 14, 2018. *See* Waiver Transmittal Email from Plaintiff’s counsel attached hereto as Exhibit A. On March 3, 2016, this Court entered Case Management Order No. 5 [Doc. 927] (the “Order”) which ordered, in part:

In cases that have been filed in, removed to or transferred to this MDL on or after the date of this Order, each plaintiff shall submit a completed PPF to defendants within 60 days of filing the complaint.

Id. at 1:18-19. The Order further made clear that:

If a plaintiff does not submit a PPF within the time specified in this Order, defendants shall mail an overdue letter by e-mail and U.S. mail to Plaintiffs’ Co-Lead Counsel and the plaintiffs’ individual representative counsel, stating that defendants may move to dismiss that plaintiff’s case within 20 days of receipt of the letter. If no PPF is received within those 20 additional days, defendants may move immediately to dismiss that plaintiff’s case.

Id. at 2:17-22.

Plaintiff’s PPF was due to be served within sixty (60) days of filing the complaint, to wit: Monday, March 5, 2018, but Bard was not served with Plaintiff’s PPF by that date. Subsequently, on March 23, 2018; August 14, 2018; and November 8, 2018, counsel for Bard sent Plaintiff’s Co-Lead Counsel and individual representative counsel an overdue letter via email and U.S. Mail notifying Plaintiff’s counsel of the overdue PPF and Bard’s right under the Order to move to dismiss the Complaint for failure to comply with the protocol set forth by the Order. *See* emails and letters from Bard’s counsel, attached as Exhibit B. To date, Bard still has not received a PPF from Plaintiff in response to its overdue letters.

II. ARGUMENT AND CITATION TO AUTHORITY

The Ninth Circuit has ruled that at least one federal district court sitting over an MDL action did not abuse its discretion in dismissing certain plaintiff's complaints for failure to comply with case management orders related to service of plaintiff fact sheets. *In re: Phenylpropanolamine (PPA) Products Liability Litigation*, 460 F.3d 1217, 1232-34 (9th Cir. 2006).

Here, the Court entered an Order governing the timely service of PPFs, and providing a clear protocol for sending and responding to PPF overdue (and deficiency) letters. Plaintiff failed to serve a PPF within sixty (60) days of the filing of the complaint, failed to serve a PPF within twenty (20) days of receiving the first overdue letter, and has subsequently ignored additional requests to serve a PPF upon Bard; thereby, delaying the discovery process and forcing Bard to incur the cost of filing this Motion. Accordingly, Plaintiff's Complaint may be dismissed by the Court pursuant to the terms of Case Management Order No. 5 [Doc. 927].

WHEREFORE, Bard respectfully requests that this Court enter an Order dismissing Plaintiff's Complaint for the foregoing reasons. For the Court's convenience, a proposed order is attached as Exhibit C.

This 19th day of June, 2019.
